

# Field survey locations

The map shows the locations of the research plots from the 2002 and 2014 field survey.

The 2007 field survey data has been collected in 2007 by K. Mauer. For more information, please refer to [this report](#).

The 2014 field survey data has been collected as part of a BIS-Fogo student project by A. Ziegler, B. Hauschildt, L. Greiner, M. Haas, O. Schumann and V. Wilzek from Marburg University and the National Park Administration by Alexandre Nevsky Rodrigues and Herculano Dinis
