

# W02-1: Story map with ArcGIS Online

It's time to actually produce your first story map using ArcGIS Online. After completing this work-sheet you will have produced your first story map. The topic of the story map will be the volcanic eruption of the Pico Pequeno on Fogo in 2014.

## Things you need for this worksheet

- [ESRI story map](#) — as part of ArcGIS online, ESRI provides an app for easily creating story maps. As the time of this writing, non-commercial user accounts are free of charge. Please double check the present licensing information prior to using ArcGIS online for creating story maps using a free account.
- [M02-1: Creating a Story Map Journal \(ESRI\)](#)
- [M02-2: Pico Pequeno eruptions 2014](#)

## Learning log assignments

- 😊 If not done already, create yourself an appropriate user account at [ESRI story maps](#).
- 😊 Visit [ESRI story maps](#), login and select “Build a map journal” in order to be be redirected to the editor.
- 😊 Read the material M02-1 “Creating a Story Map Journal (ESRI)”
- 😊 Create a story map with the texts, pictures, maps and videos provided in material [M02-2: Pico Pequeno eruptions 2014](#).

If you experience problems while trying to produce your story map, see [M02-1: Creating a Story Map Journal \(ESRI\)](#)
